

Summary 08.02.2018

Written by: Elise

Objective:

- Finish and go through the tasks distributed on Monday

Attendance:

Everyone

Discussed:

- What we have worked on in task 1 and 2
- Folder structure for git repo
- Made a user manual
- The product specification
- Discussed a process for the team
 - Meet twice a week (group on Monday + Thursday)
 - Scrum
 - Every meeting, we discuss what everyone has worked on, and what we will do until the next meeting
